Expense Policy

Scope

This policy covers business expenses paid personally by Lumora Labs employees. Expenses must be submitted in Expensify within 30 days of the purchase date.

Approval limits

Expenses under $500 need manager approval only. Expenses from $500 to $5,000 also need department head approval. Anything above $5,000 needs CFO approval before the purchase is made.

Receipts

An itemized receipt is required for every expense above $25. Lost receipts need a signed missing-receipt declaration in Expensify.

Reimbursement timing

Approved expenses are reimbursed in the next payroll run, usually within 10 business days.

Non-reimbursable items

Personal entertainment, traffic or parking fines, first-class upgrades, and alcohol outside approved client dinners are not reimbursed.

Corporate cards

Employees who travel more than 4 times a year can request a Ramp corporate card. Card statements must be reconciled by the 5th of each month.
